Dear Mr. Jewett:

I had a conversation with Al Hetzel from your Asheville Office this morning. Mr. Hetzel informed me that the permit # 100-03T for the Yancey Mitchell Transfer Station had expired in February. I am not sure how this oversight came about but we certainly intended to renew our permit.

The operation at the Yancey Mitchell Transfer Station has not changed since the original permit was issued. We would like to request an extension at this time.

Please let me know if you need additional information.

Best wishes,

Tom Tipton
